His. B. P. Meyers, Editively the Problech Grastic, was many of the Democratic candi-lates for Assembly at the later election in the Hismanner, Bellevil and Philome-Hariet, and understanding the think his competition received the near vates by menty 200. Metasthatanding his datus by the people. He hismanner, beautiful to think a man in the englishmen of the control of the Heises of Dispuscessitative on Trans-ture from his district. But the Heises was not of the lagily chosen Representa-tives from his district. But the Heises sek and proposes to legally charte Represents in district. But the Hossis caseigh in its vision not to relety of putting a man in wheel, and instead of performin then for Mr. Meyers, they me

mambes acted justly in the premises, let the public judge :
1. The record or visione before the can-can, under seal of the courts of Fulton and Budfart, certified to by Democratic Puthenotation, aboved beyond all posi-mility of deubt that Mr. Mayees was defo-table over 100 votes by both the Union Candibiatio, by the vote as counted, cert-ind and returned by every :Democratic-pings in the district!

2. No only to admiss flow. Knonty and

feel oud returned by cury immocrane judge in the district!

3. Th order to define Gen. Koonts and Judge King—the election of the Union and States for Assembly being then conceiled—the Domecratic return judges of Judden, sejing under the inspiration of Judden were and counted the remainder, were and counted the remainder, were and counted to the remainder, were all the series of the united to the counted the counted of the united of the un

westly.

7. The seturn judge from Somernet did

ref become a party to this unblushing

med, but did austify the whole vote of

the district connectly as it was returned to

the movemal Productures, and upon that

the House was compelled to decide whe was certifying justly and with fragathenty. Wen Hr. Mryem wronged whom, the Mouse declared, what his own judges had previously decided, that he was clearly not elected to a most in the House?

—Grisewayd does the Gaestie err in decising that the Chief Editor of this journal has been employed "in statesh upon Mr. Meyers." He has yet the first time to make any personal assemble of any kind, either publishy or privately, upon Mr. Meyers. He column are eatthely free from such warfare, while the columns of the Gaestie hare at time decembed to the despect depth of personal declaration in all makes to the warfare, while the columns of the Gaestie hare at time decembed to the despect depth of personal declaration in all makes to the writer hereof. Such warfare we neither resent or instance, and if the Editor of the Gaestie will but giance at his own columns for some months past. he may conclude that our "attacks upon Mr. Meyers." have their paternity in his well grounded conviction that he has exhausted thuself to merit them. We Mr. Meyens" have their paternity in his well grounded conviction that he has exhausted himself to merit them. We have from the start denounced the action of the right judges in violation of their caths and the law, and only whon Mr. Meyers attempted to avail himself of their wrong, to take a seat to which he has not the shadow of right, did we in any way reflect upon him in our animadversions—Could we do leas?

GEN. MANOSCH'S REW

The legislature of this State has made prevident at once generous and just for the barve men who volunter to serve the Matein in the shel, and the Executive is designed with the dispensation of the bart shelped in the state of the bart shelped with the authority of the Cost movement, they are supplied with surgeons when the hearse thunders of batter give their terrible harvest of pathyty woman, the dead are called by the bart shelped with the authority of the Cost movement, they are supplied with their shelped with the surface of the Cost movement, the visioned by the bart shelped with the surface of the Cost movement, the widowed by the deads it the cost of the Cost movement, the widowed by the deads it the office of the forcetting to move the Cost movement, the widowed by the deads it the office of the forcetting in account of the Cost movement, the widowed by the deads it the cost of the Cost movement, and the cost of the Cost of

couraged to enlist with the confident as-surance that they will not thereby become stringers to the beneficines of their re-spective States.

The act of the last legislative relative bounties authorized the collection of

The act of the last legislative relative to bounties authorized the collection of a bounty find by transion, not exceeding \$900 for each recruit put into the service, but under the weichel system of allowing evedies to follow the highest prices proposed to recruits, every district that made any sfort to fill its quota, was consulted to offer a local bounty of \$500. In order to meet this exorbitant necessity, prominent mes in each district wave compelled to any store the payment of the additional \$200 for sake man enlisted and compelled to make provision for reimbursing them. Every district in Franking county that to make provision for reimbursing them. Every district in Franking contribution the district was such as the legislation necessary to collect the additional bounty by taxation. We have had several committees to confer with us in opposition to the proposed tax, and renotived a number of letters protesting against the encenteent of such a law. We learn also that in two or three districts remonstances are in circulation for signatures, which will of course reach the members from this county in due course of time.

—We have frankly, answered every in—

to previouslos at to deserve and receive the sauction of the great mass of the people.

UNDER ordinary circumstances we should exclude from our columns the letter of our Harrisburg elements of the people of the destife of a criminal trial moy predig in the destife of a criminal trial moy predig in the state of the same law at the case has already attained an ilinited publicity but so the case has already attained an ilinited publicity to a fruitless trial in court and an ecclesiancial inquiry, and is about to come before the legislature in the slapps of an application for a change of venue, which will invoke the most latitudinous discussion, we deem it not only proper, but obviously just, to present the facts to the public. Mr. Glowalt, the defendant in the prosecution, is a brother of Rev. Lather A. Gotwalt, formerly of Greencodle. Franklin county. If the statement of facts as presented by our correspondent shall be verified by the tection of the control of the country. The Richmond Ereminer, the official

THE Richmond Examiner, the official organ of Jeff. Davis, recently published a lengthy editorial reviewing the position of adias in rebelom. It states the exhaust-od condition of the traitors with a degree of frankness unusual in reled journals, and concludes by proposing to form an alliance with France and Budand is seen their of frankness unsmal in reled journals, and concludes by proposing to form an alliance with France and England to secure their independence by abolishing like every. The article is attributed by the Richmond Sca-ffest to Jeff. Davis hinself. The follow-ing is the concluding purngraph of it; If France and England will sale size a resul-tion of the concluding purngraph of the con-traction of the concluding purngraph of the con-

HOR. WM: PITT FERRINDEN, now Sec retary of the Treasury, has been re-elected to the Senate by the legislature of Maine and he will therefore retire from the Cab-inet on the 4th of March next, when there will probably be a re-organization of

will probably be a re-organisation of the ministry.

How. Jacon M. Howanh has been re-elected U. S. Senator by the legislature of Michigun, for the full term of six years from the 4th of March next. He is one of the ablest and most useful members of that body, and a devofed Union man.

Gov. Yates, of Illinois, has just been elected to the Senate by the legislature of that State, to take the place of Richardson, Democrat. on the 4th of March next.

The Bedford Patriac has been morped in the fagairer—Mr. MeNori remaining as proprietur. We doubt not that the Union came will be advanced by the change. In our adverting columns will be found a card from Mr. MeNeil, offering the press, types and fixture of the Patriac for sule. They are nearly new, and would fit up a good country office.

WE are indebted to Senator Pome
