NATIONAL DEMOCRATIC NOMINEES

- FOR PRESIDENT: S. A. DOUGLAS OF ILLINOIS
FOR VICE-PRESIDENT: H. V. JOHNSON OF GEORGIA
DEMOCRATIC ELECTORAL TICKET

Breckinridge Club

A meeting of the Breckinridge Club will be held at the Court-house on this (Friday) evening. Several speakers may be expected.

Hon. Judge John M. Gregory, has declared for Douglas and Fremont.

The population of Danville, Va., is estimated to be about 8,000.

Hon. George M. Dallas, our Minister to England, is in favor of Douglas and Fremont.

The Bell and Everett party of Massachusetts have nominated Amos A. Lawrence for Governor.

The Virginia Military Institute has opened its session, we understand, with about 230 students.

Maj. Thos. Campbell, the proprietor of the Red Sulphur Springs, died on the 8th inst.

John G. Coates, Esq., has been appointed Postmaster at Coates Store, Rockingham county, Va., vice S. Coates, resigned.

Mr. Opie State, who recently killed W. W. Hanson, at Wytheville, Va., has been tried and acquitted.

Latest advices from California say the Union State Convention had adjourned, having elected a full electoral ticket.

Douglas Convention had done the same. The fusion of both parties was not deemed advisable by either party.

By the new census, Martinsburg, Va., has a population of 3,529, an increase of 1,329 since 1850. The number of whites is 1,874; free colored 110; slaves 236.

In 1850 there were 1,883 whites, 43 free colored, and 209 slaves.

At the late terms of the Federal Court in Charlesburg, five persons were convicted of paying counterfeit money.

We understand they were from the county of Frederick, and that one of the criminals made a full confession, implicating every other. One of the prisoners has since died in jail.

On Saturday night last, between nine and ten o'clock, a beautiful aurora was seen in the Northern heavens.

The scene was magnificent, the skies assuming almost a blood red color, while bright flashes of light bursting from the horizon, would shoot up almost to the zenith, resembling very much a myriad of fiery rockets sent off at the same moment.

The scene lasted for about an hour, and attracted the attention of large numbers of persons.

Our old friend Towbridge of the Piedmont (Hampshire county) Independent has named the Douglas and Johnson flag. Another link in the great chain that must grasp together this mighty Union of Federal Sovereigns.

Towbridge manifested his excellent judgment by running off with and marrying an accomplished and beautiful lady just as we were passing through the mountain bound city of Romney.

Cooper of the Clar-Bellevue Register knows that Towbridge is a man of taste from that fact, and is aware also of the circumstance that Towbridge has the prettiest wife of the two, and hence is jealous of Towbridge's taste.

Towbridge, stand to Douglas first, and your wife next. Cooper keep cool, and you and Drinkard.

Drinkard-Drinkard and Cooper-we are sorry for you, and if we had been with you we would not have fallen your House.

The tomb of the Capulets and Montague's was a more fortunate circumstance than which awaits your political posterity.

The Breckinridge on Tuesday Night

In compliance with a request, and in accordance with the arrangement, the Hon. Francis Pickens, Governor of South Carolina, Col. A. M. Barbour of Virginia, addressed the Democracy of Augusta on Tuesday night last.

The Breckinridge Club, we understand, will be held at the Court-house on this (Friday) evening. Several speakers may be expected.

Hon. Judge John M. Gregory, has declared for Douglas and Fremont. The population of Danville, Va., is estimated to be about 8,000.

Hon. George M. Dallas, our Minister to England, is in favor of Douglas and Fremont. The Bell and Everett party of Massachusetts have nominated Amos A. Lawrence for Governor.

The Virginia Military Institute has opened its session, we understand, with about 230 students. Maj. Thos. Campbell, the proprietor of the Red Sulphur Springs, died on the 8th inst.

A Rich fact, Monday Last in Har- ringtonburg

It was announced, with some freedom, that the Hon. W. Smith, and other gentlemen of different political persuasions, would address the Democracy of Rockingham on Monday last.

Gov. Smith was there, as was the Hon. S. P. Leake, in behalf of his political predictions, and Messrs. W. H. Harman, A. M. Barbour, and C. C. Hatcher, of Maryland.

The Breckinridge Club, we understand, will be held at the Court-house on this (Friday) evening. Several speakers may be expected.

Three Propositions—A Question Broke in the Breckinridge

1. That the support of Judge Douglas as the National Democratic nominee is a declaration of Squatter or Popular Sovereignty. 2. That the Federal Government can constitute a State into an obnoxious Federal Territory, or if she withdraws from the Union, can whip her in.

The Breckinridge Club, we understand, will be held at the Court-house on this (Friday) evening. Several speakers may be expected.

The Meeting Wednesday Night

Our "Conglomerate" friends of the Constitutional Union Party held a meeting at the Court-house on Wednesday evening. Considering the state of the weather, it was a very respectable meeting in point of numbers.
