obtacle was presented of the enemies arging a large appro

Acquisitions of Cusa.

There is a current report that President Bachman has on foot a plan for the acquisition of Cuba. According to rumor he is about to send speedal Commissioners to Spate with powers to demand redress for alleged injuries, but to offer

can contries in the possession of stable and well regulated governments, so far as our own country is concerned the prayer of Scipic expresses our sentiment. On entering upon the Censor's mode, instead of asking as useal that "the god-mould increase and magnify the power of Rome," he said, "I pray that they may preserve it; it is great secongh already." One might suppose that Mr. Bochanan had quite as much as the prefetched increase. to "prehe could do at this particular juncture, to "pre-serve" what we already have, without seeking and magnify" our power.

most accellent made. By the way, we trust the Legislature will not fall to pass the bill on milesage was taken up, and a discussion ethered before that body, appropriating a small sum of a motion to pustoos was negatived—yess 27, mays 76,—without disposing of the subject it was attention. Those which were used Saturday sight have been in use since the establishment of the Institution, and are now in very bed on the Legislature, and the subject it was firstly discussed. At the evening session, the misage resolution being p. Wr. Haymond made a speech on material to their thorough and correct establishment to their thorough and correct establishment was also that the stablishment was stabled to the long the subject of the subject to the subject of t

profes make by in correct in the supportion of global profess in the property of the control of the form of the control of the form of the control of the form of

worts from Richtsoud to Lynchburg.

The bill appropriating \$800,000 on the Coving ton and Ohlo Ealroad, returned from the House, cheen up not in second reading, with the amendment of the second reading with the amendment of the house, which provides that the Board of Pablic Works shall berrow \$800,000, to expend on this road in 1858 and 19, and thereafter shall borrow \$1,000,000, per year, to be appropriated to its coastrontion—provided the total appropriation of the amendment. Mr. Smith, of Greenine, preferred that the bil should go bention of the amendment. Mr. Smith, of Greenine, preferred that the bil should go bention of the amendment. Mr. Smith, of Greenine, preferred that the bil should go bention to the same of the second shall be to the second shall be second to the second shall be seen to the second shall be second to the se

ration of the subject was then postponed unactivities. Byeye unde a speech to favor of the secondary adjustment of the Mormon difficulties hough the undiation of Commissioners.

Finite T. Scaate.—Mr. Chandler made a neeth spainst the admission of Kanasa, and Mr. Houter in favor. Mr. Kennedy, of Maryland, made a strong American speech. He said.
