POETRY.

Mrs. Bratich's Sey.

About the crock, where they his scaling bide.

Also schillen playthings in in zero confusion;
And underquath his shoes he thought to hide

I see after the veiled uncertain hand, That in the future waits his manboo and strive to dissipate with love's stre Its mists beaumbing.

And if he by a soul from fall Though he should wear so laural, st to bear his part with houset men obs Enough of glory.

MISCELLANY.

Day after the Victory-Horrors Raymond, of the New York Tu r written from Castiglious, on the in aionly describes the terrible source

A first was not seem and an earlier way to great the presentation of the second control of the second control

I've who! I sould do writhout it I've wyard one now for more than a yea And like it so well I call it 'may den.' 'The the alwarent thing that over was an Thin wonderful family named.

It's noise of your angular Wheeler things With steel-shod heak and cast iron wing. Its wark would bother a hundred of his, And rough a thousand: Inshed it so; And had a way—jou needs't stare— Of combing and hraiding its own bleek h

Mice is not one of those stepfd effairs.
That stand in a server, with what note at And sackes that dismal, headachy noise, Which all the confect of seving destroys. No right contrivance of lumber and steel. But one with a natural spring in the heel.

Mise is one of the kind to love, And week a shawl, and a noft kid gieve; Has the merriest ayes, and dainty feon, and sports the charming gatter book, And a boanest with feathers, and ribboan With an including number of boops.

With the algitted perceptible term of the and One that can deace, and—possibly—first; And make a padding, as well as a shire— One that case sing without dropping a stick And play the housewife, hely, or witch— Sendy to give the angest advice, Ur do up your collars and things so nice.

Or do up your collary and linings so lice. What do you think of my Machine?

Ain't it the heat that ever was seen?

Thus'ts closurer, machaclast toy,
But fash and blood! Hear that my boy?

With a turn, for gossip, and household affair
Which include, yo know, the sewing of tears.

Tat, tot-don't talk. I see it all—
You needn't keep winking so hard at the wall:
I know what your fidgety fumblings mean,
You would like, your-self, a sewing machine:
Well, get one, then-of the same design—
