HOSTETTER'S STOMACH BITTERS.

ths. CIZZIE DOYLE.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTER'S CELEBRATED STOMACH BITTER'S can appeal with perfect confidence to physicians sad eithems generally of the United States, because the article has a states of a reputation hereiefore ushnown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hosteleter's Etomach Betters for the last year amounted to over a half-million bottles, and from its manufest properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derrangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of rempering the qualities of the two properties of the contraction of an all cases of stomachic derrangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of rempering the qualities of the bitters have proved a Colemb to regions where fever and ague and various other billious complaints have counted their victims by bundreds. To be able to state considently, that the "Bitters' are a certain care for the hypepais and like diseases, is to the proprietor a source of unsiloged pleasure. It removes all morbid matter from the stomach, purfess the blood, and implies sense with the condition of the fairners.

Either the stomach purfess the blood, and implies sense with the condition of the fairners.

Either the stomach purfess the blood, and implies sense with the condition of the fairners.

Either the condition of matters.
