STAUDION.VA.

... THE VA FEPT, 24, 1861.

The sew roses, against and arminated the res-pact of all lovers of freedom and herolo during, is now degraded and debased by affiliation with the despotic Liccoln Government which has degraded and debased by affiliation with dent.

Septide Licotin Government which has derutilizedly upon every principle of free a detachiment of a South Carolina regiment and pet to chames the despotient of Austria rors days. "Scaledly, in an anil hours, if the assence with the composite of the sunny near Moneau's Hill. If seems that I to the treatherents evidentions of the timent and the composition of the sunny near Moneau's Hill. If seems that the unexaging and selected when the to mits work days. "Keelescheroas additions of the fith assembly an another portion of our forces with the county has fine assembly as a series of the assemble as consequent to the assemble and assemble as a series of consequent to be her position. The was apposed to be her position, and thing? deeply regretted by the South, was observed in good faith by the Confederate States, said the fidelity of the fith state of the fith state of the fith state of the state of the

to bleed at every pore. Prother will be arrayed in bestle sirlie against brother, and father a-gainst on. Such source will be exacted upon her soil as, in the mere anticipation, make the cold electric obili of horror course along our wins—she will cance targedy at which human-ity will chard appalled. Her soil will egain be-come the "dark and bloody ground." Whilst we are writing these these, the electric messa-ges brings the intelligence that a battle has al-ready been fought—that Tennesseens and Ken-tracking and the property of the particular and the property of the proper her soil as, in the mere anticipation, make sold slectric chill of horror course along tackins have been pixed again, and of Ken-cial Exercisions, against in the life's blood of their own fellow dilises. In this fight, it is re-ported, that the thorisderate soroes killed 400 of the Federals and only lost two men.

the Federals and duty for two men.

Mr. E. C. Elmora, Transvery Notes.

Mr. E. C. Elmora, Transvery of the Confederate States, gives soiles, by advertisement, that Treasvery Notes, of the denomination of TEN Bollers, ograved and printed by, "J. Mannovries, New Orleans," (as appears in the margin of soon notes,) payable two years after date, were soiles from the packages in transitu from New Orleans to Richmond, and notifies the public that no notes of that descendantles and dasarire. Orleans to Richmored, and notifies the public The skirmlshing which daily takes place along that no actes of that denomination and description, congraved by "J. Manouvrier, New Orleans, have been issued by the Department, and that none will be issued. The parties who put the same in circulation have been discovered and arrested; but to secure the public the whole issued will be suppressed, and any such notes found in circulation are spurious.

To the Patricito Ladies of the Valley of Va.

To the Patricito Laddes of the Valley of Va.

We call upon this noble band of ladies who have already does so much for their country, it will be noticed that, in the accounts from have already does so much for their country, it will be noticed that, in the accounts from the wallet their mobile sisters of other Statos and send in blankets for our brave Volunteers in the Potomac, we have observed a marked retisementation. There is not a house in the Valley, it was not a total bigh pile of the best Army but there is not a high pile of the best Army but there is not a high pile of the best Army but there is not a high pile of the best Army but the constraints of public and efficied produces to engage the interest of our readers.—

The every of the Potomac Army is a produced to engage the interest of our readers.—

The every of the Potomac Army is a produced to engage the interest of our readers.— Blankets in the world, made by the fair hands of the noble daughters of Virginia. Bring them in and give them, or sell them at a fair price, and if needs be substitute Comforts of cotton for them. Albert J. Garber, Esq., has been ap-pointed to strend to this very important prayer-ration for the Winter Campaign of our troops.— He will also, buy Linsey, and Woollen Socks, and the ladies are earnestly urged to make them, as we look to them sione for these important-arti-

The Bev. Samuel Regenter will address the citizens of Strenton this evening at 7 o'clock in the Methodist Church on the War. We have that it fully sostains the re; utation of the Rev for learning, receased and eloquene The object of the address is to present the reli-sions and mural aspect of this all absorbing et belief in its righteoneness and in our ultimat

He will also deliver an address at Churchville Leyalty of Siaves.

The slaves belonging to Mesers. Geo. Mays and Wim. H. Terrill, of Bath county, who were hired to persons at the Calible in Kanswin county, who were hired to persons at the Calible in Kanswin county, who were hived to persons at the Calible in Kanswin county, who were the sound of the county of the same that the county of the same that the county of the same to the service of the same to the service of the Lincoln Gordan to the Booth, which their young master, William Terrill, pow in the service of the Lincoln Gordan to the same to the service of the servi t. would do well to cimulate.

We are individed to MR., F. H., Johnson, who recountly opened & Tobesco Store in this place, from lot of good oigars. Mr. Jelegaon has been in the business long amongh to likern the important fast must to harror resease, tobescoulds, ahould have sheir eigans suffed by the Editor. We can assure the donor, and the public, that we askip their favor ever much, and that they ondusted to the control of the same kind on hand.

News continues to arrive here daily from Manness of continues to arrive here daily from Manness of continues to arrive here daily from Manness of continues the arrive here daily from Manness of continues dairrelability. In the softer a few days up at Kell's Chanels, we are soft to the tribinate attrainsh and defeat of these takes twile presents photon inge takes 2d Malor regiment, together with a Lieutakast, who had gone out to post the party of picketing which was out of by a descendance of our men.

Ges. Bearregard has removed his headquarter from the Junction to Fairfar Matton. A day or two ago, the closeral must with a violent fail from his loves, unattended, however, by serious axis. two ago, the General met with a violent fall from his horse, unattended, however, by serious acci-

Beautyperd removed the quarters three a new days since. A great proportion of the accretion to the forcest during the past week, consisted of artillers, a number of fine corps having passed through Manascas to the advanced lipes. Among those of the troops late in camp at the Junction, and those passing through, whe best apirit and an annulatakable eagerness for active service previal—the delege before universally expressed by them to be ordered on to winter it
