ALLEY SPIRIT.

CHAMBERSBURG, PA.

CHARBERSURG NO. 1997

THE STATE OF THE PARTY SERVICE AND SERVICE A

systems of institutions in States. Not a conflict in the but an irrepromible conflict free States and the slave will argue that these two ays will argue that these two systems of State cannot permanently exist in the sem Union—that, the nectional warfare mu continue to rope, increasing in fary not the free States shall be subdised. Hence, whil they appeal to the passions of fur own me tion, their objects the sharm the people of the other section, and drive them to mad none with the tops that they will invade our rights, and thus furnish them with a excuse to carry on their aggression apetheir rights. I appeal to the cauder or Sensters, whether this is not a fair exposition of the tendency of the doctrine procelaimed by the Ropoliton party—

VALLEY SPIRIT. CHAMBERSBURG, PA.

day Morning, Feb. 22, 1460 M. COOPER, Editor.

FOR PRESIDENT. JERRMIAH S. BLACK,

Pacific Ballroad.

stated a few weeks ago that sev eral propositions would be made Congress on the subject of establishing Railroad lines across the continent, bill has been framed for presentation in Congress, granting a charter for a Pacific Railroad and Telegraph to the Southern Pacific Railroad Company. This is a corporation already charter ed by the State of Texas. Hon Hon. Secretary of the Treasury, and J. En GAR THOMPSON, President of the Pennsylvania Railroad Company, are Di-rectors of this Southern Pacific Road, and we understand that Mr. Thompson is quite sanguine that it will be the first Railroad to reach the Pacific.

The substance of the scheme em-braced in the proposed charter is, for the Texas Company to build a railroad and telegraph to the Pacific on the Texas route, receiving therefor very extensive grants of land in the shape of alternate sections along the line, and a further bonus of one million of that point to the Pacific; the whole grant of money, or honds, being lim-

afforded by our revenue laws to those branches of Pennsylvania industry. s of more practiwe word upon Congress the ims aid to this season of the ability and perpen dien. To create a great ham-manfactured Iron,

grees, a great demand for American Railroad Iron will arise, and a great impetus will be given to the manufac ture of Iron in Pennsylvania. It wil take many million dollars' worth of rails to lay the road, and many hun dred thousand dollars' worth to supply the annual wear and tear. The car rying out of Mr. Buchasas's recommendation of a Pacific Railroad will do more for Pennsylvania's interests than any tariff bill ever passed.

The .. Harmonious" Opposition.

ing mairosa meas across the continent,
from the Atlantic slope to the Pacific

It is not long since our political opcosst. It is now understood that a ponents manifested a great deal of interest in the family affairs of the harmonious Democracy," as they ironically called us. Our domestic troubles ly called us. Our domestic con-afforded them much food for mirth. the fight for the Speakership, without of these chosen of the scheme cut, possed charter is, for leader on the black and submitting to possed charter is, for a possed charter is, for possed charter is, for header on the Bushait of the Bushait of the Speakership without of the Speakership without the fight and of their chosen by the scheme cut. The same might have been handeddown as the synonym of the original same might have been handeddown as the synonym of the commandation of the Bushait of the Credon of the Bushait of t and a further bonus of one million of they are in the habit of terming the and a further bonus of one million of they are in the habit of terming the made free against the will of their Tory dollars for every fifty miles of railroad their craft struck a sing and came very the came to that of her gibbeted hero, captain John Brows, the gentleman who accomplished such wonders at their craft struck a sing and came very the habit of the valley. We seem a bust of John "seem part to retreme the side of the suppose of incagurating the organical to the came to that of her gibbeted hero, captain John Brows, the gentleman who accomplished such wonders at their craft struck as sing and came very the came to that of her gibbeted hero, captain John Brows, the gentleman who accomplished such wonders at the proposed such as a frequency of the classification of the valley. We seem a bust of the such that who accomplished such wonders at the proposed such as a frequency of some admiring artist of New York, he account fits consection with the Camy seem that the point of the captain the classification of the supposed to a creating the supposed to design the classification of the supposed to a creating and telegraph constructed, until the road shall reach the base of the Rocky Mountains; and of two millions of dollars for every fifty miles of road millions of dollars for every fifty miles of road Mr. Stwart's chance of success. At ant would have been very generally the time we write, it is by no means denounced, and by ourselves among and extravagant eulogiums on Brows certain that this conflict of interests in the rest. But as he submitted, with to the sewing circle, she would gain

> kind," that if every Furnace fire in es out for want of a Protective Tariff, if Missouri never in the Courier and Enquirer, which the Harrisburg Telegraph and other CAMBRON papers can put in their pipes and smoke at their leisure.

The opposition anticipate a blow up t Charleston. Let them keep quist charleston, where raiding in the construction at Charleston. Let them keep quiet at Charleston. Let them keep quiet at the Pacific. If Contill they hear from Chicago, where the Pacific shame it shame will be the most desperate fight ever mitnessed in a Mational Convention.

readers are aware that the esentative of the Chester and Delaware district of Pennsylvania in Congress has excited the intense admiration of the "fighting Quaker" portion of his constituency, by threatening to whip the South into submission to the will of the North. On three different occasions at least, since the meeting of Congress, he has deliberately and withand on the streets of Washington, that the North, with eighteen millions of freemen, self-reliant and trained to habits of industry, and backed by all the appliances of art, could and would compel the South to how to any yoke that Black Republication. of the FORREST letter. But after they personal conrage to the test. Not hav-had shut their eyes and swallowed ing before his eyes the fear of weighteen FORNES, they got on swimmingly till millions of freemen," including the they came to the distribution of what Quakers of Chester county who were they are in the habit of terming the mode free against the will of their Tory

Nebraska, that "Gov. Black, the man who has thus trampled upon the rights merited reputation which it has established to all the professed devotion of his party to what is technically known in the political world as squatter soveriginity, is a member of the Christian Church. Several years ago, when the contents of the Christian Church. Several years ago, when the contents of the Christian Church of the Christia the Iron mountain, and if Ohio and ereignity, is a member of the Christ-Vermont never grow another pound of ian Church. P 8. DECHERT

The Correspondents.

We have several communications on hand which we would like exceedingly made to get the house them in this weeks paper. We will try loss understand and give them place hert week. One of them we may say in "spricy" and may afford a counter to the traor of the Transcript. We would be closed if they would be closed if they were the counter to the traor of the Transcript. We would be closed if they would be considered in the counter to the counter of the transcript.

Transcript. It sets torth in a clear light the benefits that would ascribe to the pecple of this county by the construction of
the read, and points out the cheapest and
most practicable rosts among the many
proposed. The communication is evident-

on Saturday last, the perfect feasi-of a route from Waynesboro' to Fay-lle connecting with the proposed suity or a route from waynessoro to Faye-tievelle connecting with the proposed oad from Gettysburg to Chambersburg, Pais meeting was very well attended and elegates appointed to attend the Conven-tion at Waynesboro. We have heard staking of the proceedings had at Wayneseg of the proceedings and at waynes-ees. The day was very inclement no doubt prevented many from at-ing who would otherwise been present are all along felt a deep interest in enterprise, and trust that not far remote when that rich ray with which our Waynesboro eigh.

Company may char
s have pushed slong their railroad protis worthy of all praise, and should be
gr." Individuals example, proper to imitate, by other stions of the county desiring the seme section. We have so saifah feelings in is matter—we have a county pride, as ill as an ardent device for the progress of rows town, and would heartily wish to the Warnsham. Waynesboro' railroad constructed whether we get a road to Gettysberg or not, if it were, however, possible to build the road over a route that would go upite the various via terests we would feel more confidence in the assession. in the success of the enterprise all id, and it might be worth while to project a survey with that object in view.

Philadelphia Price Current.

id dealers generally, in this note. We have entered into we have entered into arrangement with a reliable mercantile m, doing an extensive business as a munistica House in Philadelphia, and so are well posted up on the latest mar-t price of all products, and in all other e of traffic concerning which it would be important to our dealers to have early and reliable information. This flow will ole information. This first will or us weekly, and farmish us by the latest hour our paper goes to a setual state of the market, not ile eity papers, but see nors, merohanis die, ann thus knodthe market as well as if ally on the spet. Single descripting the market

t week relative to the races of fare fixed for corrying peneagors over this read has raised a perfect how among the "deed-Anade" and "teedur" of the company, and its wind; "organ" contains only two communications, and about so many editorial notices in reply, with a wegan about as many editor, promise of something more—
week! Varily the above must have perceive there would not be no much outery. We thank the preciser friends of the road for the seal they a have manifested in bringing this matter so prominently before the pable. We ould Whardly have expected such a favor—for laver—neiderations. It is, as every bely a certainly attend to—neiderations at it, as a very bely about the promise of the prom now considerations. It is, as every body house, an astward besteen-in any nothing about Anneary—to defend and holier mp a gra-ping corporation in its attempts to trample upon the rights of a community, in the very tests of the law, and no same usan will engage in it unless his self-interest is in some way made to get the better of his judgment. We hope in this instance the company and it shampions understand each other and that it may never have cause to exclaim some me from

we have never tried our hand at heaping pt. We would be pleased if the wriof "Experience a the North" would road. We did not suppose that gentimen that the continuation of his letters as we of intelligence would be taked with that sort ioularly desire to see their drift before sommence their publication. Chambers and Gottysbury

Bastroad:

We would direct the special attention of our resident to an able and interesting communication, in this weeks paper, in lation to this road, copied from the Cransevipt. It sets forth in a clear light to makind when he "steps out." We desire him to understand that this is seld "founds."

The sets forth in a clear light to this works with the control of the sets forth in a clear light. oposed. The communication is evidentwritten by a gentleman well sequainted to the localities through which it is prosed to construct the road and who thorgally maderatands the subject on which
treats. We would again ask for the
ticle an attentive reading.

Quite a spirited meeting was held in
maketows, in this county on the 14th
at, in relation to this road, at which Maj.
Hughes presided. The meeting was
led for the purpose of considering the
opriety of bringing to the attention of the
ilread Convention which met at Waynesor, on Saturday last, the perfect feasiconsiderably surprised at the number of bian-

"Spent on reflect the "Spirit of the Liss chough for our purpose.

Having disposed of the "Loungly" "Furry CERTS," for the present only we hank me will need to Mr. "Justica" who sats kineself up new tern to Mr. "Justica" who sats kineself up the for the company. We are considerably surprised at the number of blea-ders he has made in the law and the facts.— We would have supposed that the company would have intrusted its case in abler hands, for a bed cause always requires skillful man-agement. We will charitably believe that his statements are made through ignorance, for we would be loath to suppose that a motive sould be says that the 14th Section of the Act, incorporating the Franklin Bail Road, which prohibits a construction is in direct conflict with the language of the Section, which says, "the said tell for the it was not then contemplated that other parties

should transport passenger.

The second point made by "Justice" is that the general ratirond law of 1849, allows companies to prescribe the rates they will charge for freight and passengers. That is true with cestain limitations, to which we will presently refer, but how does that help the matter? By tase act of the 9th of April, 1856, the State 1s-ammed all the rights and pivilleges previously conferred upon this company, and by the Act of the 12th of May, 1857, appointed Commissioners to "sell and coavey therall read afformed, with all the rights and privileges belonging to the same, so that the purchaser or purchasers shall have and eajly all the rights and privileges that said Company had and passed under their Act of Incorporation, or under any supplement there to."

The \$1 Section of this Act authorized the

their Act of Incorporation pleasest there to."

The 21 Section of this Act authorised the C. V. R. R. Company, or any other R. R. Co., tadividual or association of individuals to parametering and record os that the the Franklin R. E. Company, and the Oi bersburg, Greensastie and Hagerstown R. Company, by their Acts of incorporation own R. R. Little

ply to give whorver might buy the read all the rights and privileges, and analyses him or them to all the read all the reads of the all the reads of the all the reads of Assembly relating to the read had not been repealed by the Ast of 1986. The privileges and freeakless of the company had merely ham reasoned by the State, and those interwent with the Date to the purchasers. after, and were readily taken at an advance on last weeks rates. Oats and Rye were rather dull of sale, and we have no change of importance to note in either.

Whose — The cales reported were made at 125a155 cents for good to prime parcelled red; 140a155 cents for fair to good white, and 150 cents for fair to good white, and 150 cents for prime samples of do. To-day the market was fran, with nales of 500 bushels, for which, and 1,000 bushels white at 145a150 cent There was one parcel of 2,000 bushels, for the was one parcel of 2,000 bushels, for the take 140 cents were offered, and refused. 1,000 bushels white at was one parcel of 3,00 late were offered Corn.—The offerin

sum up 85,000 do. brought 74 ets. Yellow changed assent at 72a75 cents measure, and 74a75 cents he waight. To-day the market at 72a75 cents measure, and 74a75 cents for prime by weight. To-day the market was firmer in tone, but the receipts were not equal to the demand. There were sales of 500 bushels white at 73 cents, and of 2,500 bushels yellow at 60a72 sts., measure, and 75a76 cents, weight.

Rys.—The offeringe, as lest mask, were light, but prices here improved first Ros cents per bushel. The sales for the west include once 3,000 bushels at 95a86 cents for Haryland, and 90 cents for Pennsylvanis. To-day we bed reported a sale of 200 bushels fromplycation at 90 cents, and we

banksir Pennsylvenia at 86 sausa, and we quese Minythad as 85 one.

Onto — There has been quite a gapd supply, but the demand not being bridge prices have not rised quite as high prices have not rised quite as being bridge as the week. The offerings were about 11,000 banksis, and make wert unde of Maryhad at 42:65 cents, and of Puninytwah at 45 a45 one. To day there was 2,000 banksis, and of Puninytwah at 45 a45 one. To day there was 4,000 banksis offered, but the apparent was dall. We
