rece passion or resolutions, will be it decidedly process again collect only its duty to the whole or present and alsoghered to a nutry; that this war is not roughly lakform of a sectional party, their pertia may pairt by oppression, thing for any purpose of complete or subjustion or purpose of cortiferously the ferring with the right or calibabed; effectively the continuous of the Suddern Satter, which is the opposite of the Continuous of the Suddern Satter, and the Suddern Satter Satter, and the Suddern Satter Satter, and the Suddern Satter S but todefend and mandam he superior ey of the Constitution, and to preserve the Union, with all the dignity, equal-ity, and rights of the several States animpaired; and that as soon as these objects are accomplished the war ought

## Democracy and the Enion.

As much as the Democratic party de As much as the Democratic party ne-sire to see an end put to this horrible and annatural was, and peace again restor-ed to the country, it would not have our Government humble itself before an armel rebellion, or accede to terms would be dishonorable, or in contravention to the Constitution upon which our institutions are founded, merely for the sake of peace. We want no peace short of a restoration of the Union. Our Flag must again float over every inch of our former territo-ry, and be honored and respected as days rast, before the war can end in days rast, before the war can end,
Let the war be pushed vigorously for
ward to attain that end, and when that
to accomplished and the friendship of
accomplished and the friendship of is accomplished, and the friendship of the Union men of the South regained and their confidence in the Government reassured, the war ought to terminate and life and property be spared. Our Government should leave nothing undone to reassure the Union men of the South that their rights under the Conaritation will not be trampled upon for stitution will not be trampied upon to to them it must look for aid in re-es-sablishing the Union and maintaining and administering the laws when the war ends. We see how well this the war ends. We see how we'll this is working in Tennessee under Hon. Is working in Tennessee unter Front.
ANDREW JOHNSON, and the same good results are manifesting themselves every day, under the lead of Southern Union men, in other parts of the rebel States. Nobly have the Union men of the South steed side by side with the Democracy of the North and batthed all through these trying times for the Union, the whole Union and noth-ing but the Union. The Southern Union men have risked all—suffered to show to the world that they alt—to snow to the world that they were honest in the principles they professed of being as much opposed to a sectional party South as they were to a sectional party North. It matters not whether that party take the name of "Secession" or "Abolition," w is marshaled under the leadership of JEFF. DAVIS in the South or ABRA WAM LINCOLN at the North, its aim is NION and its fraits CIVIL WAR. but DISUMOR and its fraits CIVIL WAR, but while the Democratic party is true to itself its bellish purposes can never be consummated. Jackson said—"THE UNION MUST AND SHALL BE PRESCRYED," and his mords will ever find a response in the heart of every

erat. The Democratic party has heartily supported the Administration, as the representative head of the Government. in all its just efforts to put down the rebellion and re-establish the supremasy of the Laws over the entire country. It knows no other issue than the ration of the Union upon the eter principles of justice, nd a regard for the constitutional rights of the South as well as the North. That is sols object for which the Demo tic party is pouring out its bee ad on our battle-fields. ## afficial from Con. M'fiellan.

WASHINGTON, May 5.
The following has been received at the War Department:

H. Q. ABMY OF THE POTOMAC, May 4-7 P. M.

To Hon. E. M. Stanton, Secretary of

War:
Our cavalry and horso artillery came
up with the enemy's rear goard in
their entrenchments about two miles
this side of Williamsburg. A brisk
fight ensued Just as my and left,
Smith's division of infantry arrived on Smith's division of infantry arrived on the ground, and I presume carried his work through. I have not yet heard. The enemy's rear is strong, but have force enough up there to answer all purposes. We have thus far seventy-one heavy guns, large amounts of tenta, ammunition, etc.

one heavy guns, large amounts of tents, amunition, ether their works prove to have been most formidable, and I am now fully satisfied of the corress of the course I have pursued.

The success is brillians, and will be of the greatest in brillians, and will be of the greatest in brillians, and will be of the greatest in propriation. There shall be no delay in following up the rebella. The rebells have been guilty of the

The rebels have been guilty of most murderous and barbarous conmost murderous and barbarous conduct in placing torpedoes within the aban-doned works, near wells, near springs, near fingestaffs, magazines, telegraph offices, in carpet bags, barrels of flour, etc. Fortunately we have not lost many men in this manner—some four or fire killed, and perhaps a dozen wounded. I shall make the prisoners remove them at their own peril.

(Signed.) G. B. M'CLELLAN

Major General
